Dear Sir/Madam

**Research Degree Study Opportunities at City University of Hong Kong**

I have pleasure in enclosing a poster containing information on research degree programmes offered by the City University of Hong Kong and would like to take this opportunity to introduce to you our University.

City University of Hong Kong, one of the eight government funded institutions in Hong Kong Special Administrative Region (HKSAR), is a modern, hi-tech institution committed to providing a quality learning environment for its students and the community. It has a vibrant research culture and has gained a good reputation for research and innovation in a wide range of disciplines. It has an outstanding team of academics undertaking applied research dedicated to advancing knowledge to benefit society and the region. To date, the University has a student enrolment of over 18,000 (excluding sub-degrees), of which over 5,900 are postgraduates. The University offers a wide range of learning opportunities from undergraduate and postgraduate studies to continuing education.

Regarding research degree studies, we offer diverse areas of research study to suit individuals' interests. MPhil and PhD programmes are offered in the following Faculties and Schools: Business, Humanities and Social Sciences, Science and Engineering, Creative Media, and Law. More information on our research degree programmes and online application form is available from our website: <http://www.cityu.edu.hk/sgs/research>.

I should be grateful if you would make the information available to your students. Thank you.

Yours sincerely

Prof Y V Hui  
Associate Dean  
Chow Yei Ching School of Graduate Studies  
City University of Hong Kong
