Dear Dean of University of Bucharest Law School ,

Starting October 1, 2015 the Law Faculty of Humboldt-Universität zu Berlin will offer a one-year LL.M program in International Dispute Resolution (IDR), with a strong emphasis on international commercial arbitration. It is open to law graduates from jurisdictions around the world and will be taught in English. The application deadline for the 2015/2016 program is June 15, 2015.

We designed this program to provide a valuable opportunity for law graduates seeking to deepen their knowledge in the field of IDR. Therefore, we would be grateful if you informed your students about this option. For this purpose, we have included 4 copies of a leaflet and poster providing basic information on the program. If you unfold the leaflet completely, it will become a poster. Please use these materials in whatever way you think will be most accessible to students and graduates; be it in the form of leaflets at the university's career center or as a poster in the law faculty or elsewhere.

Further information can also be found on our website:
www.idrberlin.de.

Any questions regarding the program can be addressed to:
application@idrberlin.de

We would love to welcome students from your university this October and would very much appreciate if you could help us spread the word of our program.

Kind regards,

Prof. Dr. Gerhard Wagner, LL.M
