Conditions for incoming students:	We mainly accept all nominated students, but for Schools like Medicine, Conservation (Architecture), etc. with laboratory or clinical work, sometimes there are no available places for all students. The same applies to students of 3rd cycle and thesis work.
Language requirements	Candidates are not required to provide an official certificate stating the Italian language knowledge. Students are strongly suggested to have no less than an intermediate level of Italian to make the most of their stay and make daily life in Rome easier and more enjoyable.
Academic Calendar	The academic year at Sapienza officially starts on October 1st and ends on October 31st of the following year (https://www.uniroma1.it/it/pagina/calendario-dellanno-accademico). However, the teaching schedule varies from faculty to faculty : students are strongly suggested to request the specific academic calendar to the administrative office of their receiving faculty (https://www.uniroma1.it/it/pagina/referenti-amministrativi-erasmus-di-facolta-raef). Examinations are usually held in winter (January and February), summer (June and July), and autumn (September and October). In order to get information on programmes (timetables, exams, syllabus, etc.) we suggest students to visit the courses webpage (https://corsidilaurea.uniroma1.it/en).
Enrolment in Italian language courses	Sapienza University facilitates students in the language learning process by offering one Italian language course (free of charge) to each Erasmus candidate. In order to enrol in Sapienza Italian language courses, incoming Erasmus students have to fill in the proper section of the on-line application form within the application deadlines . Further information will be sent to students directly from Sapienza Language Centre. Later inscriptions to Italian language courses will not be accepted. Please, note that Sapienza University also organizes intensive language courses before the beginning of each semester, to support students in the learning process upon arrival. Intensive courses are strongly recommended to students with a lower level of Italian knowledge.
